MEET OUR NEWEST STAFF MEMBER!

Kelly Wrobel

Development and Community Engagement Manager

Kelly Wrobel comes to us from her previous position as Director of Development at H2O for Life, a service learning 501c3 educating youth on the global water crisis. Kelly grew up in the Stillwater area and is thrilled to be back working and living in the community that shaped her youth. Kelly is recently engaged to Christian Stenerson and will be married in Nisswa, Minnesota June 2nd. In her spare time she enjoys walking her British lab, Sally, reading Erik Larson, and watching her favorite movie Miracle.

Philanthropy has always played a large role in her life and we are so excited to welcome her as a new member of the team!

Agency Spotlight - Hope Dental Clinic

Please join us in giving a warm welcome to one of our new agency partners, [Hope Dental Clinic](#). Becoming their own 501c3 after 52 years as part of Union Gospel Mission, Hope Dental Clinic's mission is to provide primary dental care with a focus on reaching out to those most in need, regardless of the ability to pay. They offer patients hope and a reason to smile, by expanding connections between the community, oral health care providers, and students. Care is provided through partnership with community volunteers including dental professionals, students in oral healthcare and staff.

United Way of Washington County East is excited to support special programming treating at risk teens, elderly men and women, unemployed heads of households, children and other patients in pain through a) free, restorative and preventive dental treatments that give them hope and new smiles and b) innovative oral health community outreaches and same-day treatment events. Support is also made to provide in-service training for pre-dental, dental school, hygienist, dental assistant and advanced therapy students entering fields of oral healthcare.

Thank you, Hope Dental, for filling an urgent, ongoing and chronic health care problem not only in Minnesota's urban and rural communities, but around the nation.

Did you know? about 1/3 of the population lives without adequate dental insurance or even dental care. Hope Dental Clinic serves patients from 28 counties in Minnesota and Western Wisconsin, with both emergency (extractions, e.g.) and restorative dental needs (fillings, cleanings).

Make sure to stop by their open house on Thursday, January 25th from 3-8 pm to learn more about the organization, their staff and a chance to win some great door prizes!

A SPECIAL WELCOME TO OUR NEW BOARD MEMBERS!

Elisa Rasmussen
Xcel Energy
