

## Breakfast with Santa a SNOWY SUCCESS!

Despite the flying snow, on Saturday December 11th, the Valley Ridge mall was transformed into Santa's workshop by Mall Merchants and United Way volunteers. More than 100 people braved the blizzard for this Christmas tradition of a breakfast buffet, holiday crafts, FREE photos with Santa and more all to benefit our Hometown United Way! Volunteers helped kids with holiday crafts, guests were serenaded by the Stillwater Area High School Vagabonds. Many guests also serenaded each other with holiday tunes on a karaoke machine!

When the event ended, volunteers worked together to push cars through the snow and get everyone home safely...that's a great example of what it means to Live United!
