HAPPY HOLIDAYS!
From United Way of Washington County East

As we celebrate this holiday season, it's important to think about our local community. The individuals and families that are experiencing life difficulties do exist in our neighborhoods.

We are very close to achieving our campaign goal of raising $960,000 - and I'm asking if you will help us get there! The funds raised support our 21 partner agencies that are doing effective work in our impact areas of: Youth, Basic Needs, Self-Sufficiency and Health.

YOUTH: This past year 8,500 snack packs were sent out to kids in our community that wouldn't normally have food on the weekends.

BASIC NEEDS & SELF-SUFFICIENCY: 2,000 individuals were helped with legal assistance, utility support and housing.

HEALTH: we were able to help individuals and families with health insurance. On behalf of these families and children, THANK YOU!

Your support continues to make a lasting impact on the lives of thousands of individuals in need right here in Washington County. I'm asking for your consideration in making a gift of $50, $100 or whatever you can afford during this special time of the year.
