We are so proud of our Youth United Way Group!

Youth United Way is constantly impressing us with all of their hard work and dedication. June 5, they were recognized for their work to support the local community and received an honorable mention in the annual Student United Way awards competition hosted by United Way Worldwide. Youth United received the honor for their work in support of Empty Bowls Dinner- an event to raise money for local hunger programs. The 25-member group raised more than \$2,700 at the event and helped educate the community about hunger.

"We are so proud of our Youth United, here at our local United Way. This group of young students really understand the culture of philanthropy and the importance of taking the time to give back in a meaningful way for the betterment of their community."

- Jessica Ryan, Executive Director, United Way of Washington County East

THANK YOU Youth United Way, for all the hard work you continue to do.

Agency Spotlight - Southern Minnesota Regional Legal Services

Southern Minnesota Regional Legal Service (SMRLS) is the oldest legal aid program in Minnesota and one of United Way of Washington County East's 21 Partnering Agencies. They are a non-profit legal aid firm that provides free legal services and support to low-income individuals or families that suffer from hunger, homelessness, abuse or sickness.

SMRLS has a group of 132 attorneys involved in their Volunteer Attorney Program, who are dedicated to serving people below the 200% federal poverty guidelines. Some examples of the hard work and dedication of these volunteer attorney's:

"A family law volunteer spent 52 hours helping a client win full legal and physical custody for her client who was a former victim of human trafficking."

"A VAP attorney volunteered 34 hours for a client with a wrongful termination claim, who also was denied unemployment insurance. After two unemployment compensation hearings with the client's two former employers, the Unemployment Law Judge reversed the client's ineligibility in both cases."

The mission of Southern Minnesota Regional Legal Services is to provide quality legal services to people of low income status who are facing critical civil matters. Every year, staff and volunteers close approximately 10,000 cases, and serve an additional 20,000 people through community education and outreach activities.
