Spring Highlights + Summer Ahead!

The past three months have been full of energy and impact!

In February, Youth United hosted their inspiring **Youth for Youth event**, formerly Empty Bowls, empowering young voices to lead change. March and April focused on **grant funding applications** and planning next steps to expand our work. We closed out the season with the **UW Gala – A Night In Full Bloom**, a beautiful evening celebrating community and connection.

Now, as we look ahead to summer, we're energized by the possibilities! From Fish United, Stuff the Bus, to You R You, there's a lot in the works – and we want you to be a part of it. Whether you're volunteering, donating, or simply spreading the word, your involvement makes a difference.

Let's keep the momentum going – **summer starts now!**
Give us a follow to stay up to date on all things UWWCE

Youth for Youth Event: A Heartwarming Success!

A heartfelt thank you to everyone who attended the Youth for Youth event (formerly Empty Bowls) hosted by our incredible Youth United members at your local United Way!

Your generosity and support helped them raise an amazing \$2,920 for youth programs in Washington County!

We are beyond grateful to those who contributed to the meal — whether it was soups, breads, or desserts. Your generosity made this event truly special!

A huge round of applause to our Youth United members who worked hard to gather silent auction and raffle donations! And to our generous donors — thank you for making a difference!

We couldn't have done it without you— thank you for supporting youth programs in our community!

Stay tuned for more updates and events from Youth United!

Thank to our 2025 Donors

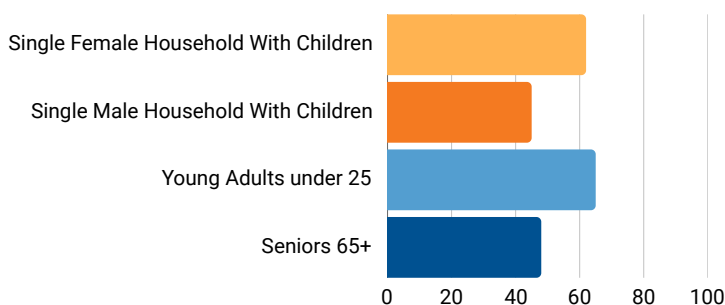

Get Connected. Get Help.™

Because of You, ALICE Has Hope

In 2024, 926 individuals in Washington County reached out to 211 for help — making 869 calls and sending 57 texts — **resulting in 1,346 unique requests and 1,261 referrals to local agencies.** The top needs? Housing, utilities, income assistance, legal support, and mental health services — all urgent indicators of the challenges faced by families living on the edge.

Many of these individuals are ALICE — *Asset-Limited, Income-Constrained, Employed*. These are our neighbors who work hard yet struggle to afford life's most basic necessities. In Washington County alone the following categories fall below the ALICE threshold, often forced to make impossible choices: paying rent or securing childcare, affording medication or fixing a car.

**211 is more than a number
it's a lifeline.**

But thanks to your support, ALICE is not alone. Through 31 local programs funded by United Way of Washington County-East, your donations help bridge the gap for those most in need — connecting them to emergency shelter, rental assistance, food support, financial counseling, and mental health services.

These programs partner closely with the top agencies receiving 211 referrals, including:

- Washington County Community Services
- Salvation Army Twin Cities
- Valley Outreach
- Community Action Partnership
- Solid Ground

ensuring help is not just available, but accessible.

Visit 211.org to learn more or share this resource with someone in need. Because of you, ALICE can do more than survive — they have a chance to thrive.

Help shape the future of Washington County

After our recent grant funding application period closed, we received requests from 18 agencies and 33 programs totaling over \$680,000.

Now, we are ready to invest in the most pressing needs right here in our community — and we need your help.

Join us for our 2025 Community Investment Panel and help ensure that local funding reaches the programs making the biggest impact.

As a volunteer, you will:

- Serve on a panel focused on Youth, Health, Basic Needs, or Self-Sufficiency
- Review grant applications from local nonprofits
- Use community data to guide funding decisions
- Attend two in-person meetings (dinner provided!)
- Visit local agencies that are changing lives

Important Meeting Dates

Tuesday, May 13 and Tuesday, June 17

5:30pm - 8pm

Andersen Corporation

5909 Omaha Avenue North, Oak Park Heights, MN

Be part of a community-led effort to create lasting change. **Your voice matters, sign up by Monday, May 5th.** Click the button below to fill out the webform below and we will be in touch! Please email Kristin at kristin.kroll@uwwce.org if you have any questions.

“

I love being part of the Community Investment process! Despite having lived and worked in the service area for years, several of the organizations supported by the United Way are new to me. I can't imagine a better introduction than a site visit that includes meeting key staff.

— Deb Smith
First Resource Bank

What a night to remember – And it's all thanks to YOU!

We are still glowing from the magic of our recent gala – *A Night in Bloom* – and it's all because of our incredible community.

Together, we raised over \$215,000 to fuel life-changing programs across Washington County, supporting our key impact areas: youth, health, basic needs, and self-sufficiency.

To our generous sponsors, inspiring guests, hardworking volunteers, and dedicated Gala Committee – **thank you**. You didn't just make the night beautiful – you made it meaningful.

Your support reaches far beyond the ballroom. It helps ALICE families (Asset Limited, Income Constrained, Employed) move from simply getting by to truly thriving. Because of you, one unforgettable evening has sparked a season of growth.

A Night in Full Bloom

A special thank-you to Nicole Larie Photography for capturing the elegance and emotion of the evening. Click below to view our full gallery.
