

2025 POST EVENT REPORT

This year's Stuff the Bus initiative was a tremendous success – **and that's all thanks to you, our incredible community!**

Together, we collected enough school supplies to stuff **808 backpacks** supporting **360 unique families** across Washington County as they prepared for a new school year.

With your incredible generosity we collected **\$12,643** from individual donors and roughly **\$89,982** in in-kind donations!

The generous contributions across the county eased the financial burden of buying school supplies for their parents or guardians. **We are truly so grateful!**

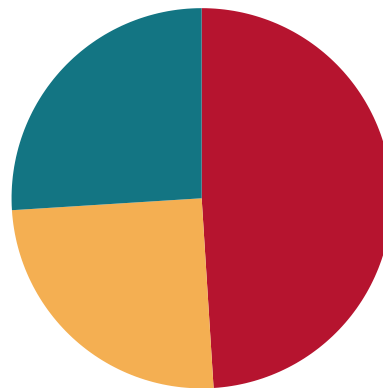

IMPACT BY THE NUMBERS

30 Collection Sites

808 Backpacks

126 Volunteers

360 Families Served

- Elementary School**
49% of total backpacks
- Middle School**
25% of total backpacks

“

Volunteering for Stuff the Bus has been the highlight of my summer. I will be back every year to help United Way as this has been the best experience!
